# 5 DAY TOUR

The 5 Day Tour is a surf surfari for beginners to advanced alike. Our custom tailored surf wagon gets you on the beach to remote locations where you can learn to surf in uncrowded conditions.

Our tour takes us to the sub-tropical waters and climate of the winterless North, which offers a variety of waves to suit all abilities.

This trip is much more than a tour, for many it is a life changing experience.

## Why would you come with us?

- Our Surfing New Zealand coaches have extensive local knowledge which allows them to give you a surfing adventure that you will never forget.
- We take small groups (7:1 Ratio) to ensure you get the attention you need.
- You will quickly meet new friends and enjoy Northland's amazing scenery through the eyes of a surfer.

- You may even get to experience nature at its best with dolphins & whales frequently cruising our beaches.

### We provide:

- 5 days surfing.
- 4 nights accommodation, dormitory style at surf lodges and backpackers.
- 3 fresh meals daily, vegetarians no problem.
- All transportation, pick up & drop off from Auckland City.
- Surfboards, body boards (by request), wetsuits and accessories.
- Daily Surf Lessons.
- Beach activities.
- FREE NZ Surf'n'Snow Tours T-Shirt.
- Grommet tours during school holidays.

Tangaroa and Tawhirimatea, (the gods of the ocean and the elements) ultimately dictate our itinerary. Surfing is all about tide and weather hence the flexible nature of our trip. We base ourselves at our accommodation in Shipwreck bay and head out every day chasing the best waves Northland has to offer.
